#### **Reading the minutes of the previous BOS meeting and action taken report**

Chairperson read out the minutes of the previous meeting held on 03-08-2022 and placed the agenda for discussion. The following actions were taken based on the suggestions given by the members

In the previous BOS meeting below suggestion given by the BOS members.

**Suggestion 1: Introducing basic mathematics (Optional Subject IV Semester) in the syllabus which helps in higher studies.**

**Action taken**

From the department and college requested Mangalore University to give permission to introduce basic mathematics and waiting for the confirmation. Below is a request letter submitted to Mangalore University and BOS members and University Nominee approved the **suggestion 1.**

**The board approved the Suggestion 1.**

**Suggestion 2: Motivating students to do online certification which helps in employment using NPTEL & SWAYAM.**

**Action taken**

Mentors giving guidelines to respective mentee to do online certification using free online free certification portal like **real. Discount** where students get benefits like Free Udemy Online Courses with Certificates and given instruction to individual student to complete five certification courses per semester instead of doing courses using NPTEL & SWAYAM because students face pay.

**The board approved the Suggestion 2.**

**Suggestion 3: BOS Members also suggested to create LinkedIn profile where students can update their CV and getting more chances for telephonic interview calls.**

**Action taken**

Mentors giving guidelines to respective mentee to create a LinkedIn profile for employment opportunities during monthly meeting.

**The board approved the Suggestion 3.**
